## 11 New Backpacking Packs for Endless Outdoor Exploration

Load up one of these top-rated backpacking packs and hit the trail to find your one-of-a-kind backcountry campsite wherever your exploration leads you.

### Mountain Hardwear Ozonic OutDry 60 Backpacking Pack (Women's)

**\$270**

**BUY NOW**

Don't turn back when a downpour surprises you — instead, push forward! The company's OutDry waterproofing technology will keep the inner contents dry as a bone, no matter the storm. At 60 liters, it's plenty of space for a few nights, and it has everything you'd expect from a fully-featured pack. This version was designed specifically for a women's body, too, because one size rarely fits all.
