Emerging Gear: Outdoor Products This Week

A peek at emerging products from the sometimes cutting-edge, sometimes quirky world of gear design.

Women's Custom Pack

Hike in the worst conditions, keeping your gear dry and your body comfortable. The Mountain Hardwear **Ozonic 60 OutDry Women's Backpack** has shoulder straps and back panel shaped to fit a woman's body. The \$270 pack has customizable suspension dials to ease the burden and a fully waterproof main compartment.
