## World's Most Expensive Gear

A \$500,000 road bike, \$5,500 tent, and \$4,000 swiss army knife. Here, GearJunkie surveys the most expensive outdoors gear ever made.

### \$5,500 Space Station Tent

Outfit your basecamp with Mountain Hardwear's [Space Station Tent](#). The burly pod measures 19 feet in diameter, 8 feet, 5 inches in height, and fits 20 or more people. The poles and fabric are industry leading materials and made to endure the harshest alpine conditions. And if the moon had inclement weather, I'm sure the tent would hold up there too.
